Dear Faculty,

FacultyVacancies.com supports advancement in higher education and research helping Universities, Academies, Colleges, Faculties, Schools, Academic Departments, Institutes and Research Centers to recruit domestic and international talents.

Want to post your jobs? Click http://www.facultyvacancies.com/postajob

Here are the latest jobs from FacultyVacancies.com

Biological / Biomedical Engineering All Jobs

Professor of Biomedical Engineering and Neuroscience Vanderbilt University School of Engineering United States

Research Assistant in Biomedical Sciences University of Hong Kong School of Biomedical Sciences Hong Kong

Research Associate in Therapeutics University of Cambridge School of Biological Sciences and the School of Clinical Medicine United Kingdom

Postdoctoral Scholar in the Fish Conservation and Culture University of California Davis Department of Agricultural and Environmental Sciences United States

Postdoctoral Fellow in Bioinformatics University of Hong Kong Hong Kong

Post Doc in Bioinformatics Technical University of Munich Germany

PhD Position in Modelling Cerebrovascular Autoregulation Lab Animal Data to Build a Patient Autoregulation Monitor Catholic University of Leuven Belgium

Computer Science / Engineering All Jobs

Research Assistant / Associate in Computer Science and Technology University of Cambridge Department of Computer Science and Technology United Kingdom

Research Fellow in Advanced Signal Processing for Realtime Applications University of Surrey Department of Electrical and Electronic Engineering United Kingdom

Research Staff in Building Trust in a Context-Aware Intelligent System Technical University of Munich Germany

PhD Position in Computation Offloading for Distributed Sensor Applications VU University of Amsterdam Department in Computer Science Netherlands

PhD Position in Logic-Based AI for the Design of Machine Components Catholic University of Leuven Belgium

Post Doc in Software Engineering University of Gothenburg IT Faculty Sweden

Postdoc Position in Meaning and Understanding in Human-Centric AI Systems VU University of Amsterdam Department of Computer Science Netherlands

Electrical / Electronic Engineering All Jobs

Research Associate in Immersive Audio StoryTelling University of York Department of Electronic Engineering United Kingdom

Research Fellow in 6G University of Surrey Department of Electrical and Electronic Engineering United Kingdom

Research Associate / Fellow in Power Electronics, Machines and Control University of Nottingham Department of Engineering United Kingdom

Research Assistant / Associate in Analysis and Control of Large Scale Networks University of Cambridge Department of Engineering United Kingdom

Research Fellow in Development of Semicon Material for PP based MVDC Cable University of Southampton School of Electronics and Computer Science United Kingdom

Research Assistant in Cyber-Physical System Security in the Domain of Maritime Singapore University of Technology and Design Singapore

Postdoctoral Researcher in Machine Vision and Signal Analysis University of Oulu Faculty of Information Technology and Electrical Engineering Finland

PhD Position in Nano-Micro-Structured Permanently Charged Surfaces for Electret Nanogenerators University of Freiburg Germany

PhD Position in Risk-Based EMC for Safer Autonomous Systems Catholic University of Leuven Belgium

Doctoral Position in Next Generation Based Advanced Solar Cells Research University of Oulu Faculty of Information Technology and Electrical Engineering Finland

Post Doc in Geodesic Luneburg Lenses for High Power Applications Royal Institute of Technology School of Electrical Engineering and Computer Science Sweden

PhD Studentship in Photonics and Nanoelectronics University of Southampton Institute for Photonics and Nanoelectronics United Kingdom

Industrial / Production Engineering All Jobs

Assistant Professor of Industrial Engineering and Economics Tokyo Institute of Technology Department of Industrial Engineering and Economics Japan

Materials Science / Engineering All Jobs

Associate Professor of Materials and Chemical Technology Tokyo Institute of Technology Laboratory for Materials and Structures Japan

Senior Lecturer in Conservation with Specialization in Organic Materials University of Gothenburg Faculty of Science Sweden

Post Doc in Kinematica; Inference-Based Rapid Resource Exploration Scenario Testing University of New South Wales School of Minerals and Energy Resources Engineering Australia

Mathematics / Mathematical Sciences All Jobs

Professorship in Stochastic Methods for Data Science University of Vienna Faculty of Mathematics Austria

Professorship of Mathematics University of Hamburg Faculty of Mathematics, Informatics and Natural Sciences Germany

Assistant Professorship of Applied Mathematics University of Munster Germany

Adjunct Faculty in Mathematics New York University Courant Institute of Mathematical Sciences United States

Associate Professorship of Theoretical Mathematics University of Munster Faculty of Mathematics and Computer Science Germany

Assistant Professor of Mathematics Cornell University Department of Mathematics United States

Assistant Professor of Mathematics, Statistics and Insurance Hang Seng University of Hong Kong Department of Mathematics, Statistics and Insurance Hong Kong

Assistant Professor of Statistics University of New Brunswick Department of Mathematics and Statistics Canada

Associate Professor of Mathematics Education North-West University South Africa

Associate Professor of Primary Mathematics and STEM Education Macquarie University Australia

Teaching Fellow in Statistics Imperial College London Department of Mathematics United Kingdom

Research Assistant / Associate in Stochastic Modelling of Urban Structures University of Cambridge Department of Engineering United Kingdom

Research Associate in Data Science University of New South Wales School of Mathematics and Statistics Australia

Researcher Position in Applied and Computational Mathematics University of Bergen Department of Mathematics Norway

Research Associate in Mathematics Imperial College London Department of Mathematics United Kingdom

PhD Position in Data Science University of Bergen Department of Mathematics Norway

Postdoctoral Researcher in Science Education; Computational Thinking and Mathematical Thinking Radboud University Faculty of Science Netherlands

Mechanical / Aerospace Engineering All Jobs

Lecturer in Mechanical Engineering University of Texas Austin Cockrell School of Engineering United States

Senior Research Fellow in Aeronautical and Astronautical Engineering University of Southampton School of Engineering United Kingdom

Good luck from the FacultyVacancies.com team

Victoria Scott PhD
